

Project Name: Project 11 Group 2 - Cybersecurity
Next Report Date: Final

Deliverable	Tasks	Complete%	Current Status Memo	Assigned To	Milestone #1				Milestone #2				Milestone #3			
					01/30	02/06	02/13	02/20	02/27	03/06	03/13	03/20	03/27	04/03	04/10	04/17
Establish website & security policy	Set up tools and resources	100%	Complete	Team		6	6	6								
	Create website	100%	Complete	Team		5	8	5								
	Evaluate network design and topology	100%	Complete	Team		4	4	2								
	Establish security policy	100%	Complete	Team		8	7	5								
Security policy implementation	Implement security controls	100%	Complete	Team				3	7	7	6	8				
	Research vulnerability analysis tools and strategies	100%	Complete	Team					5	5						
	Create plan for exploiting opposing team's server	100%	Complete	Team					2	2						
	Prepare to conduct pen testing on other team's sever	100%	Complete	Team					1	1	2	2				
	Create milestone report	100%	Complete	Team					1	1	4	6				
Exploitation	Execute pen testing on opposing team server	100%	Complete	Team								3	10	10		
	Continue to provide protection to our server	100%	Complete	Team								2	8	8	8	8
	Prepare forensic reports on CNE and defense operations	100%	Complete	Team									5	5	5	5
	Documentation	100%	Complete	Team									5	5	5	5
Final report	Presentation preparation	100%	Complete	Team											5	10
	Formal presentation	100%	Complete	Team												10
	Final report submission	100%	Complete	Team												5
